VES will be celebrating Halloween on October 31st. Parents are welcome to join us for our costume parade at 1:00. Students may choose to come in costumes as long as he/she can sit to work in the morning. Otherwise students will have time to put on costumes at 12:30. Students will help each other, rather than having parent help as there is limited space and time. After the parade, students will participate in individual class activities. Please remember that costumes cannot include any weapons and dangerous accessories. We look forward to seeing you! Feel free to dress for the occasion!

Vermilion Elementary School Mission Statement:

Within a safe and nurturing community, we at Vermilion Elementary School will foster personal and academic excellence, while treating each other with dignity and respect. As a team, we will be the best we can be.

September 6	School Spirit Gear & Colours Great way to either kick off Spirit Days, and it's so simple that everyone can participate.
October 3	Crazy Socks Show off your wackiest pair of socks. It might seem like business as usual, but lift that pant leg and BAM! Leopard print, zebra stripes, alien heads, oh my!
November 1	Sports Day Dress like an athlete or a fan. This is the day that the Oilers alumni will be visiting Vermilion! Even if not everyone's a diehard hockey fan, everyone's got a sport they admire or play. Remember, it's a costume. Keep it broad and have fun with it—riding pants and high boots for polo, a leotard and shorts for gymnastics, dress pants and a lifejacket for pool (not swim suit).
December 5	Grinch or Christmas Sweater Day Have fun getting ready for the Christmas season dressing up!
January 10	Scientists Dress in lab coats and safety goggles, carry clipboards, or other science gear.
February 6	Casual and/or Fancy Day Dress as casual or as fancy as they want. Choose to stick to casual or fancy or mix them together! Sweatpants mingling with tailored trousers, cozy hoodies shouldered up next to cocktail dresses. Crocs and loafers..
March 6	Hats on For Mental Health Let's have some fun wearing hats to remind us how important positive mental health is!
April 9	Monochromatic Class Day Each class chooses a colour to wear for the day. Challenge your class to wear as much of that colour as possible. Even if they don't have the colour, as a group they will look like it.
May 1	Camouflage or Camo Color Day Wear as much camo or camo colours as you can.
June 4	Crazy Hair Day Heading in to our last month of school seems a little crazy. Do your 'do as wild as possible. Break out the hair ties, spray, and dye, and get silly with it. 6 ponytails? Fabulous.
