

**Nothing to do this summer?
Check out the Summer Group; being offered in your area:
(Registration is required)**

Bike Rodeo (all ages)

June 14th at 3:45 p.m.

Bike safety & more (More info to come)

**Are You Ready for Kindergarten (all children entering Kindergarten in
September 2017)**

This group teaches social skills needed for classroom participation. The skills we will learn in this group are positive self-talk, listening behaviors and turn taking. Heavy work is incorporated into every session which encourages attention and improves transitions during your child's day at school.

Tools for School (for kids finishing grades 1 and 2) (Parent & child workshop to learn tools to support learning in these areas):

- **Language Processing:** Language Processing Disorder affect expressive language (what you say) and/or receptive language (how you understand what others say).
- **Printing Skills:** Learn tips and tricks to improve printing skills, neatness & legibility.
- **Executive Functioning:** These skills are the mental processes that enable us to plan, focus attention, remember instructions, and juggle multiple tasks successfully.
- **Reading:** Learn tools that can be used at home to improve your child's reading skills.
- **Let's Move:** Learn how to encourage your child to move on the playground and at home to build strength and coordination.
