Grade One School Supplies 2022 - 2023

Please label all of the following supplies with your child's name or initials *except what is noted at the bottom of the list*. In a Grade One classroom, many supplies end up on the floor or other places. If your child's name or initials are on them, it is easy to return supplies to their owner. Without identifying marks, it's nearly impossible to determine whom they belong to.

- 1 Water bottle, with drinking spout. Please avoid screw cap bottles or any kind that can spill if tipped.
