Track and field School-wide Event!

Track and Field Day happens on May 31st this year. This will be an exciting day, for sure. We are very excited about some important changes we are making for the day as the grade one and two students will join in the regular track and field events with their classroom teachers. Please see the newly revised schedule we have included in this newsletter. We welcome parents and family to come and cheer on the kids.

**Students will celebrate Accelerated Reading
with Camp theme day.**

**They will participate in literacy, art, and p.e. activities.
Please join us for our Family Picnic.**

School Council

Thank you to those who have attended meetings during the 2024-25 school year to provide important feedback for the direction of VES.

We look forward to many of you joining us in the 2024-25 school year. A special thank you for providing the opportunity for a Family Night to learn about Inuit culture with Goota.

Peeking Ahead 2024-25

August 27 - VES Office Opens

September 3 - First student day

Ukrainian Village Field Trips

All of our VES students and staff will be visiting the World's Largest Pysanka in Vegreville and the Ukrainian Cultural Heritage Village where we will be participating in a school program that lets students experience history brought to life by costumed interpreters at our open-air museum. We will hear the first-hand stories of early settlers to east central Alberta and learn how Ukrainian immigration impacted Alberta's cultural identity and heritage.

Dates:

June 5th - Grade 4 - 6

June 6th - Grade 1 - 3

Time: 9:00am - 4:30 pm

Our fundraising and donations have made it possible for all to attend with no extra cost to students. Thank you for your support!
