FAQS

The key to having fun is being sure students are dressed warmly for recesses, outdoor Phys. Ed. classes, and riding buses. Please ensure as the winter approaches that students have boots, hats, and snow pants. As we all know, the weather can change quickly. If you are having trouble providing warm clothing, please reach out to us and we will put you in contact with agencies that can help out.

Winter is coming...
Why not get out and enjoy it?

Vermilion Nordic offers many opportunities to be active throughout the winter, including the Jackrabbits program. The Jackrabbit Program is designed to introduce children aged 4 to 12 to the sport of cross-country skiing in a fun, social environment. Parents are encouraged to participate and often learn to ski with their kids. Jackrabbit sessions are on Sunday afternoons from 2 to 4, beginning in early December. Participation in the program is free with club membership (children \$35, adults \$50, family \$125).

Other club events include adult lessons, wax clinics, moonlight skis, and potluck meals. Rental equipment is available for both children and adults at reasonable rates.

For more information, visit www.vermilionnordic.com, or call Pamela at 403-846-8760.
