Professional Learning Days

The key to having fun is being sure students are dressed warmly for recesses, outdoor Phys. Ed. classes, and riding buses. Please ensure that students have boots, hats, mittens, and snow pants. As we all know, the weather can change quickly. If you are having trouble providing warm clothing, please reach out to us and we will put you in contact with agencies that can help out.

BOOK

On January 29th, VES students will be celebrating both our success in working toward our year end AR goals, and the beginning of the second half of our school year. We will be celebrating with a few literacy activities and a Book Bingo in which every student will be given a book.

Peeking Ahead

Feb 6 -Assembly & Spirit Day /
Scientist or Artist

Feb 7 - Science Fair

Crazy Bling Day is a perfect opportunity for students to get creative with inexpensive, eye-catching accessories! They can layer on costume jewelry like oversized rings, chunky necklaces, and sparkly bracelets from a dollar store or thrift shop. Aluminum foil can be shaped into shiny bracelets or crowns for a homemade touch. Students can add flair with sequins, glitter, or craft gems glued onto old hats, sunglasses, or even their shoes. Brightly colored scarves, belts, or hair accessories can add to the fun. Encourage them to mix and match for a truly "blinged out" look—it's all about creativity and sparkle!
