Zoo Field Trips

All of our VES students and staff will be visiting the Edmonton Valley Zoo where we will begin to explore key curriculum topics such as habitats, adaptations, biodiversity, and environmental stewardship. The visit encourages curiosity, critical thinking, and empathy for living creatures while connecting classroom learning to real-life applications in science and social responsibility.

Dates:

June 4th - Grade 4 - 6

June 5th - Grade 1 - 3

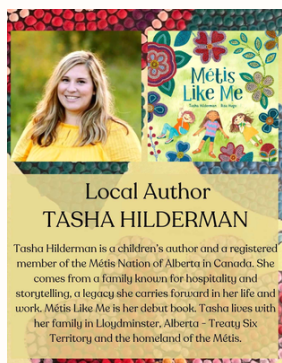

Time: 9:00am - 5:30 pm

Our fundraising and donations have made it possible for all to attend with no extra cost to students. Thank you for your support!
